OTTAWA UNIVERSITY

OTTAWA, KANSAS

July 22nd

Dr. Forest C Allen
Director of Physical Education.
University of Kansas
Lawrence Kansas

Dear Doctor Allen. The article you read about our game was evidently a mistake of our publicity man. I did not see the story in that form. I have definitely put the dates December 7th at Lawrence and December 10th at Ottawa in our schedule, so you may consider the matter closed.

The guarantees you suggested were entirely satisfactory; I suppose we say \$35.⁰⁰.

This fall when my Faculty Athletic Committee chairman comes back

I shall send over our official contracts as a matter of form.
