Dr. Forrest C. Allen
Coach of Basketball
Kansas University
Lawrence, Kansas

Dear Dr. Allen:

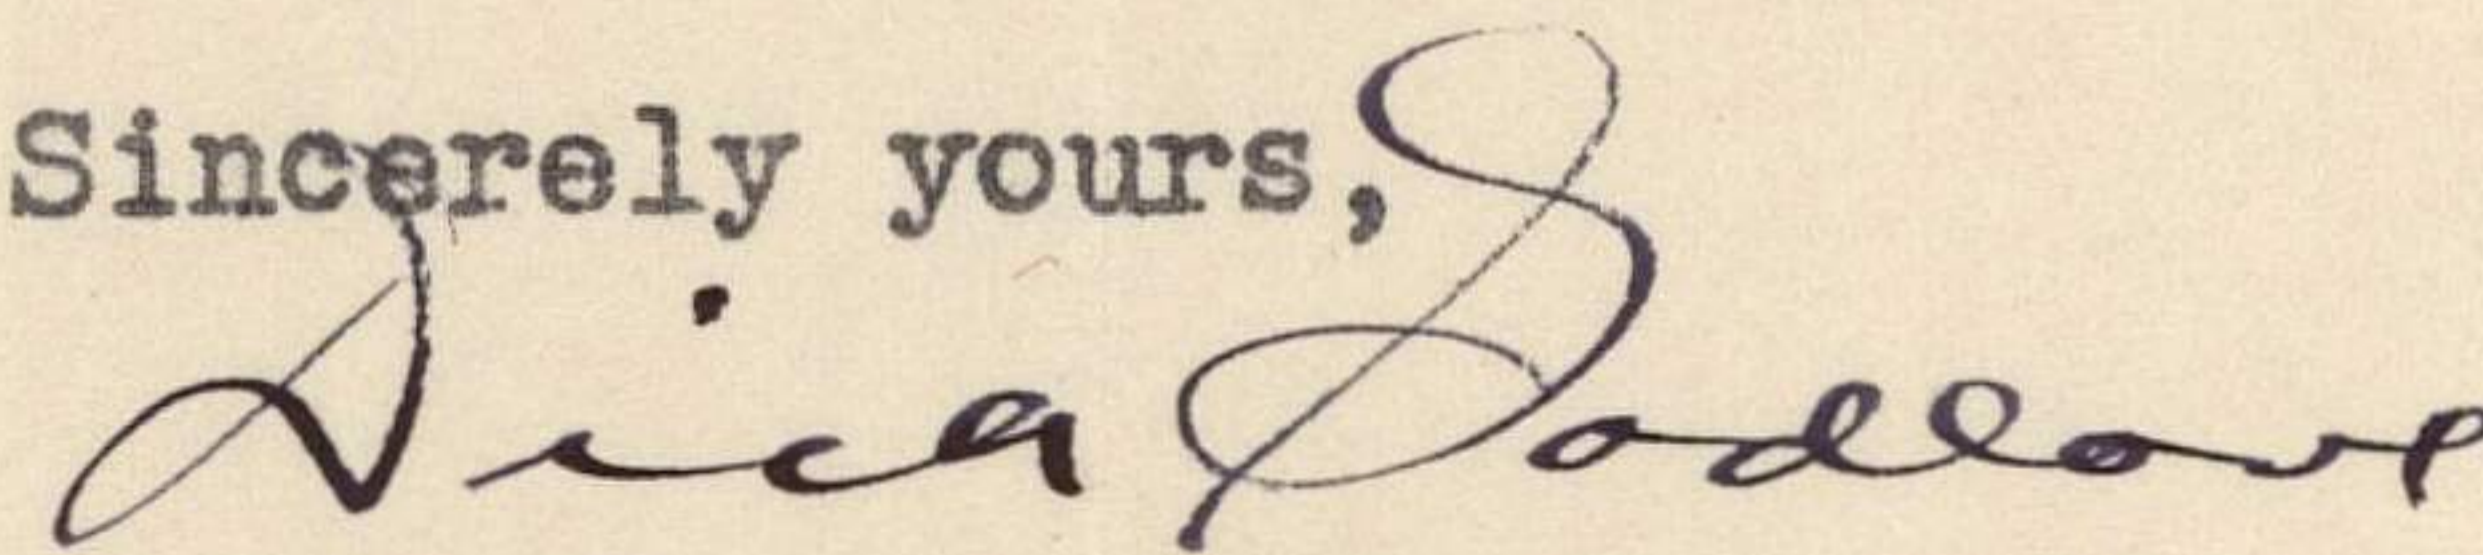

I returned to Ottawa yesterday and found your letter about basketball games.

Yes, we shall be glad to play a pair of games with Kansas. Our conference schedule begins after the holidays, and as yet we have scheduled no games before Christmas. Nearly any pair of dates before Christmas will be all right with us. We would not want to play here in Ottawa after December 16, however, because of our holiday business rush.

Would you want to open your home season with us? If you should want to play us in Lawrence some time between the 3rd and 10th of December and here on December 10, preferably, or December 14 or 15, it would suit us. Or what suggestion have you to make?

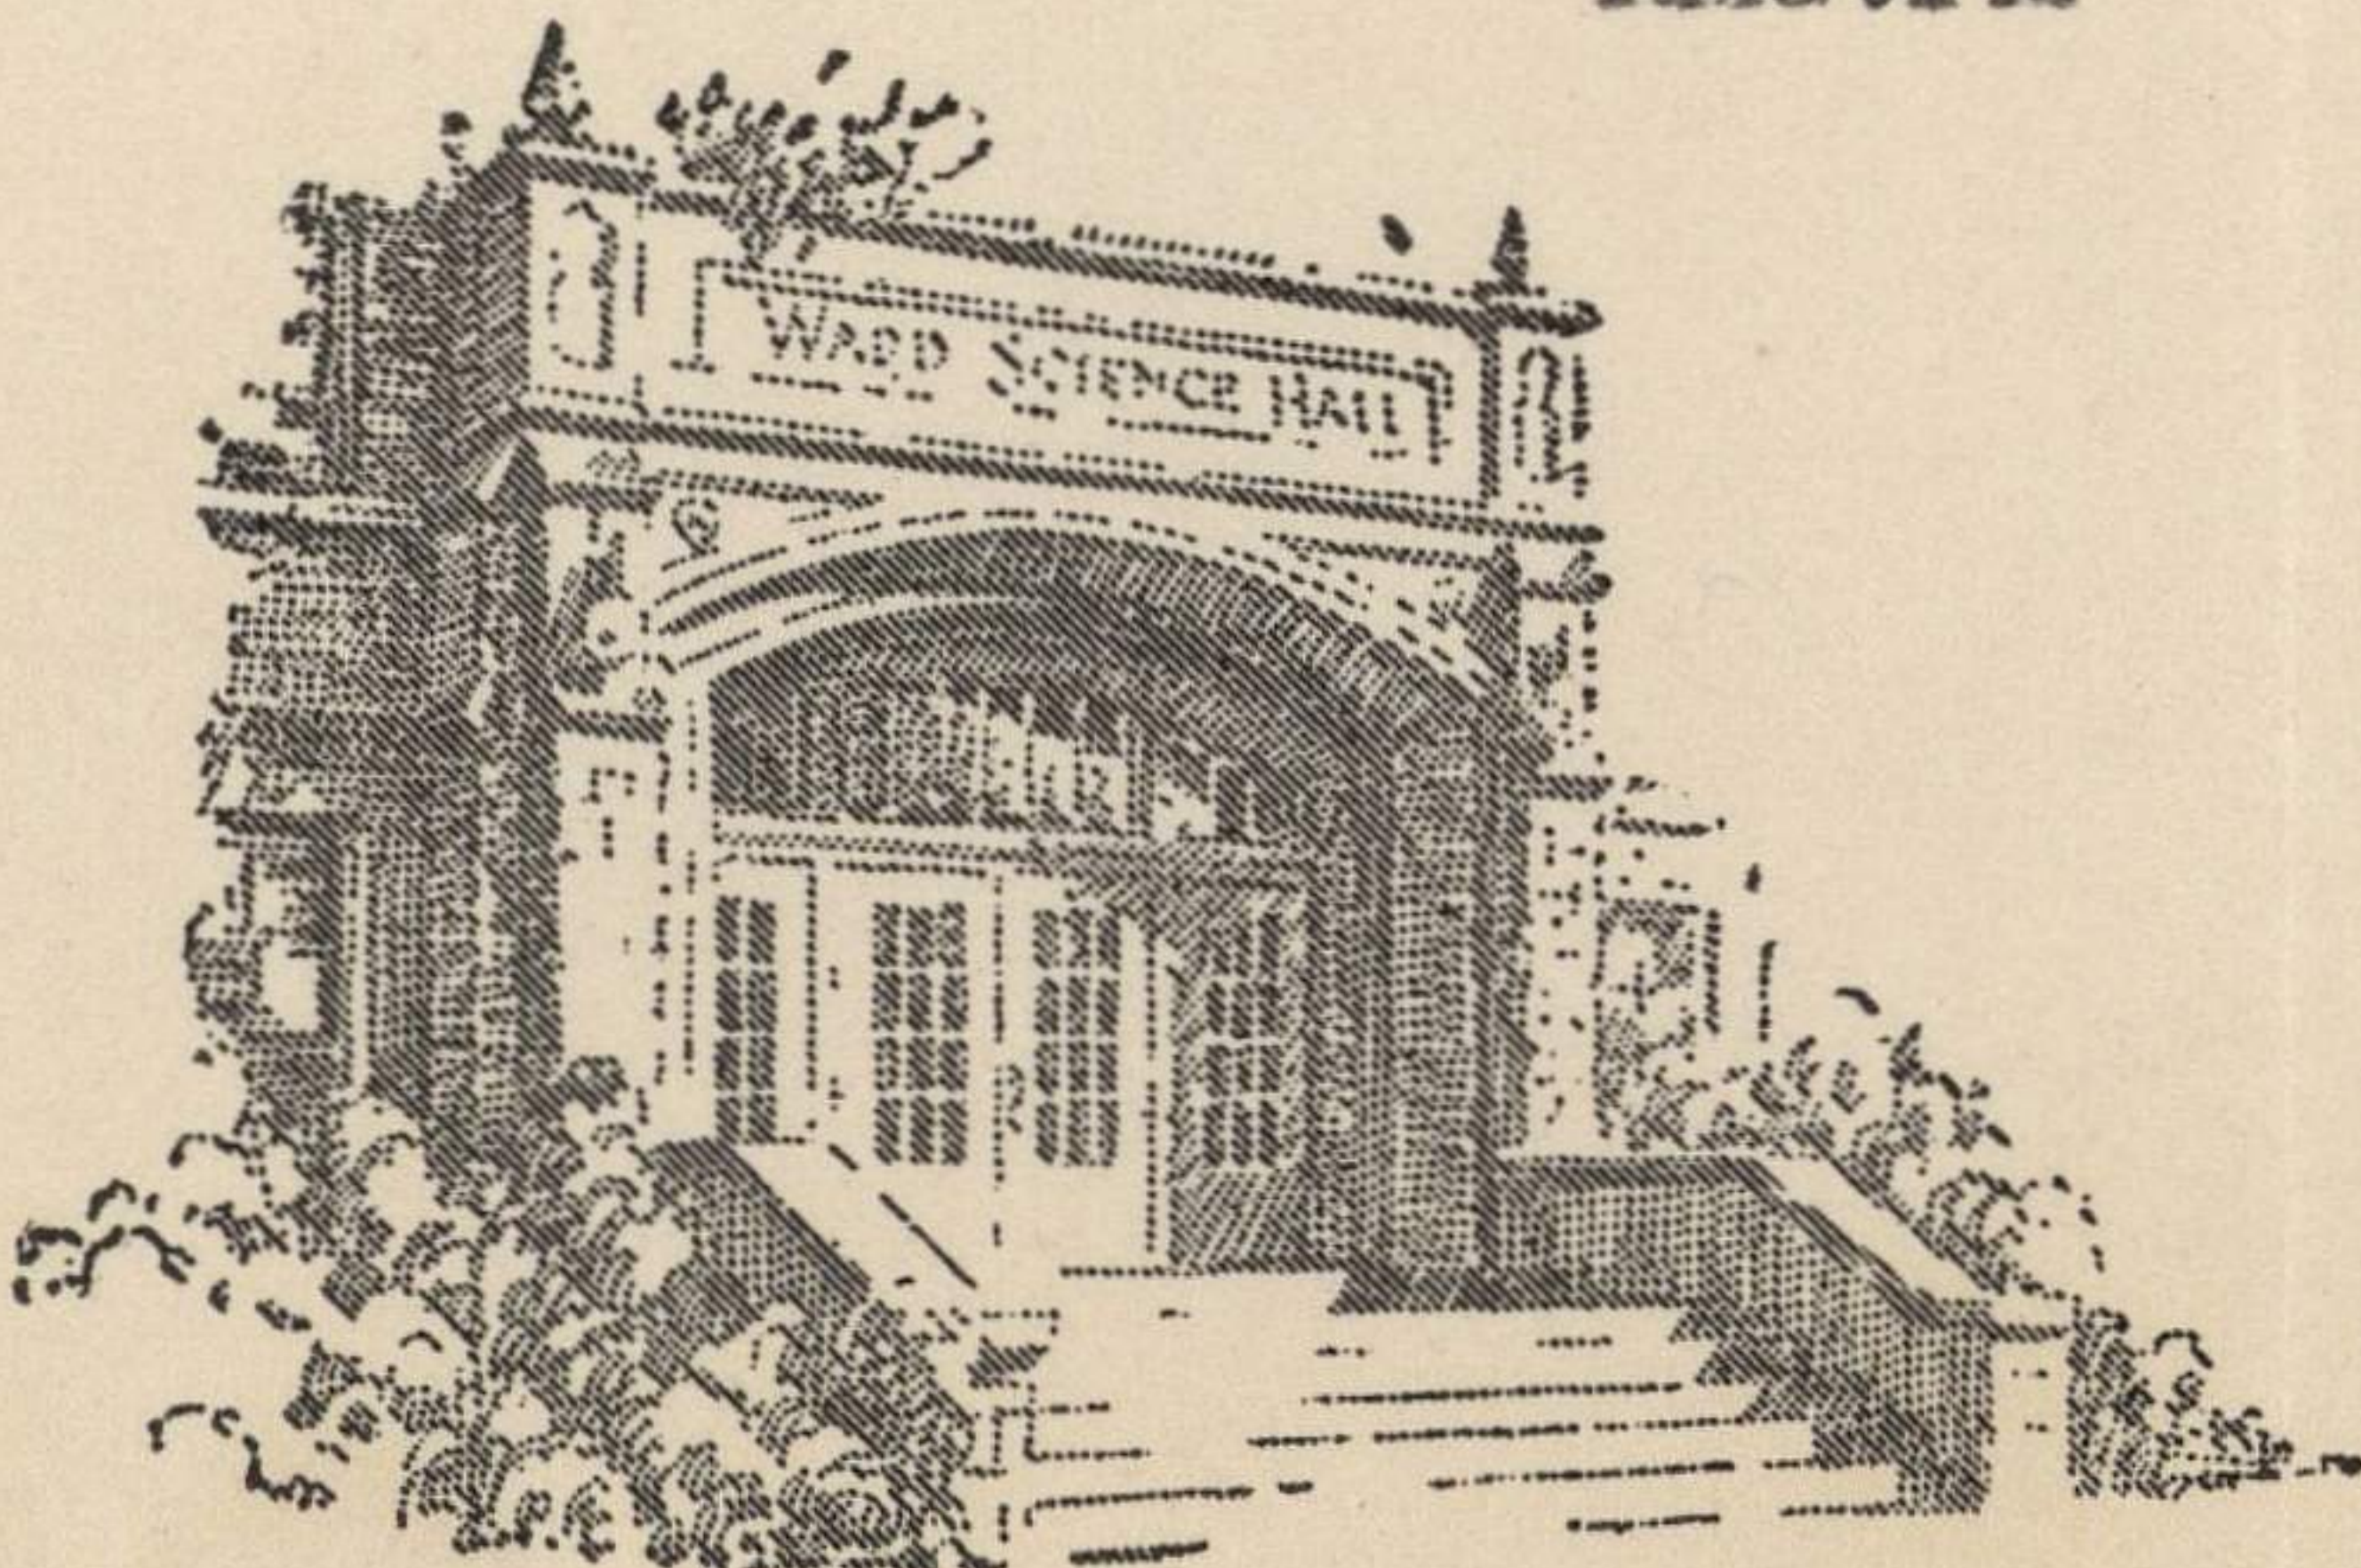

What kind of financial arrangements shall we have?

Sincerely yours,

Richard M. Godlove,
Director of Athletics
