Dear Fog:

I want to thank you for your tip about the basketball film. I have written to Bob Russell to find out who handles it in this territory. We used your silent film at our school two years ago quite successfully and I am sure the new film will be entertaining as well as educational, and that the coaches will want to see it.

I am sorry that you were unable to stop off here on your way home from Oklahoma. I believe I was out of town at the time, however, and so would have missed you.

In our negotiations about your game with Drake at the coaching school no mention was made of the officials. I suggest that you and Bill Williams get together on the officials, keeping in mind all the time that we do not want to pay anymore traveling expenses than we have to, since the expenses of the school and the game are going to run quite high.

With kindest personal regards, I am

Sincerely,

Sec Taylor
