

Hotel Fort Des Moines

Des Moines, Iowa

IOWA'S LARGEST AND
MOST BEAUTIFUL

A Tangney-McGinn Hotel

Out of the smoke and noise of the "loop" district, yet only three blocks to its center—combining quiet and cleanliness with utmost convenience.

Each of the 400 guest rooms has bath, circulating ice water and servitor service. The rooms are attractively, comfortably furnished, and the deep mattresses were made for sleep.

A whole floor of sample rooms makes the Fort Des Moines ideal for salesmen's headquarters, seasonal merchandise showings, and other commercial exhibits.

Spacious size and luxurious appointments make the lobby one of the most beautiful in the entire midwest.
