Dear Fog:

I have written to Quigley and have asked him to write me and tell me exactly what he will want to come here to officiate the ball-game with Drake and to devote about an hour with the coaching school to a talk about rules, officiating, procedure, etc.

If his terms are reasonable we will try to make use of him, otherwise I fear that we will have to get officials who are nearer to us than he, for we must keep down the expenses of the game.

I wish you had not talked to him about the game as he wrote me immediately and I am sort of on the spot with him. With kindest personal regards, I am

Sincerely,
