Mr. F. C. Allen
University of Kansas
Lawrence, Kansas

Dear Mr. Allen:

Your idea of a schedule for the meeting in Kansas City, December 4th meets with my approval. I shall be glad to sit in.

It won't be long now until you will be bringing your team up to give us a shellacin'. I don't know why the Register and Tribune had to subject us to such humiliation. However, we are willing to go through with it. I suppose Mr. Sec Taylor has written you regarding officials. Anyone that he agrees upon will be satisfactory to me.

Sincerely yours,

E. O. Williams
Athletic Director
