

HUGO T. WEDELL
JUSTICE

October 11, 1940.

Dr. Forrest C. Allen,
Kansas University,
Lawrence, Kansas.

Dear Phog:

I appreciate copy of your letter to the
Chancellor, and of course, pleased to
have the information refuting necessity
for sympathy for you on account of
alleged physical handicaps.

Such rumors as this are, of course, dis-
concerting. My advice is "forget them".

With best wishes for many healthy and
successful years, I remain,

Cordially yours,

W:H

Thanks for comments on my efforts
