

December 11, 1937.

Mr. Bert McGrane,
Sports Desk,
Des Moines Register and Tribune,
Des Moines, Iowa.

Dear Bert:

I have just received a letter from Sec Taylor stating that you are manager of the coaching school. I had not known this heretofore, else I would have communicated with you instead of bothering Sec.

Sec notifies me that they cannot afford to bring Quigley up from St. Marys for the game, and he advised me to write Bill Williams, which I am doing. I am sure that we can get together for some very capable officials.

By the way, I am writing Mr. Curtis W. McGraw, of McGraw-Hill and Company, publishers of my new book, asking that they send you an author's copy of "Better Basketball". We had them send Sec one, and I am going to see if I cannot get one for you. I believe you will enjoy reading some of the yarns and other data that I have compiled. At least, I hope so. I have tried to make it chatty and interesting reading.

With every good wish, I am

Very sincerely yours,

Varsity Basketball Coach,
Director of Physical Education.
