Dear Doctor Allen:

I was glad to receive your letter of August 12 relative to doubleheader basketball in Kansas City. We definitely are interested, as I had indicated in earlier correspondence.

The suggested date of December 16 is in conflict with previously-signed contracts calling for us to meet Temple in Philadelphia on that date, the final game of our eastern tour.

I hope there are other dates available for the proposed Kansas City program.

We are committed for participation in doubleheader programs February 3 and February 24 in the auditorium in Oklahoma City, opponents not yet selected.

I hope you will give continued consideration to the Oklahoma City possibility. It should be a very attractive appearance for Kansas.

Consider us interested in the Kansas City program on any of our available dates and thanks very much for your letter.

Sincerely,

H.P. Iba
