Lieut. Vincent J. Hogan,  
Physical Fitness Officer,  
Army Air Field,  
Herington, Kansas.

Dear Lieutenant Hogan:

Due to the immaturity of our teams this year we are expecting to cut quite markedly in the length of our schedule. I regret that it will not be possible for us to play at your place this year.

The train connections were so terrible last year that the boys did not get a wink of sleep until two o'clock the next afternoon after returning from your place. It was necessary for us to purchase tickets from Lawrence to Topeka on the Union Pacific and then to re-purchase on the Rock Island to Herington. The same procedure was enacted upon our return from Herington. For that reason our change at Topeka took up practically the whole of the last day.

With regret, I am

Sincerely yours,
