SUBJECT: Basketball Schedule.

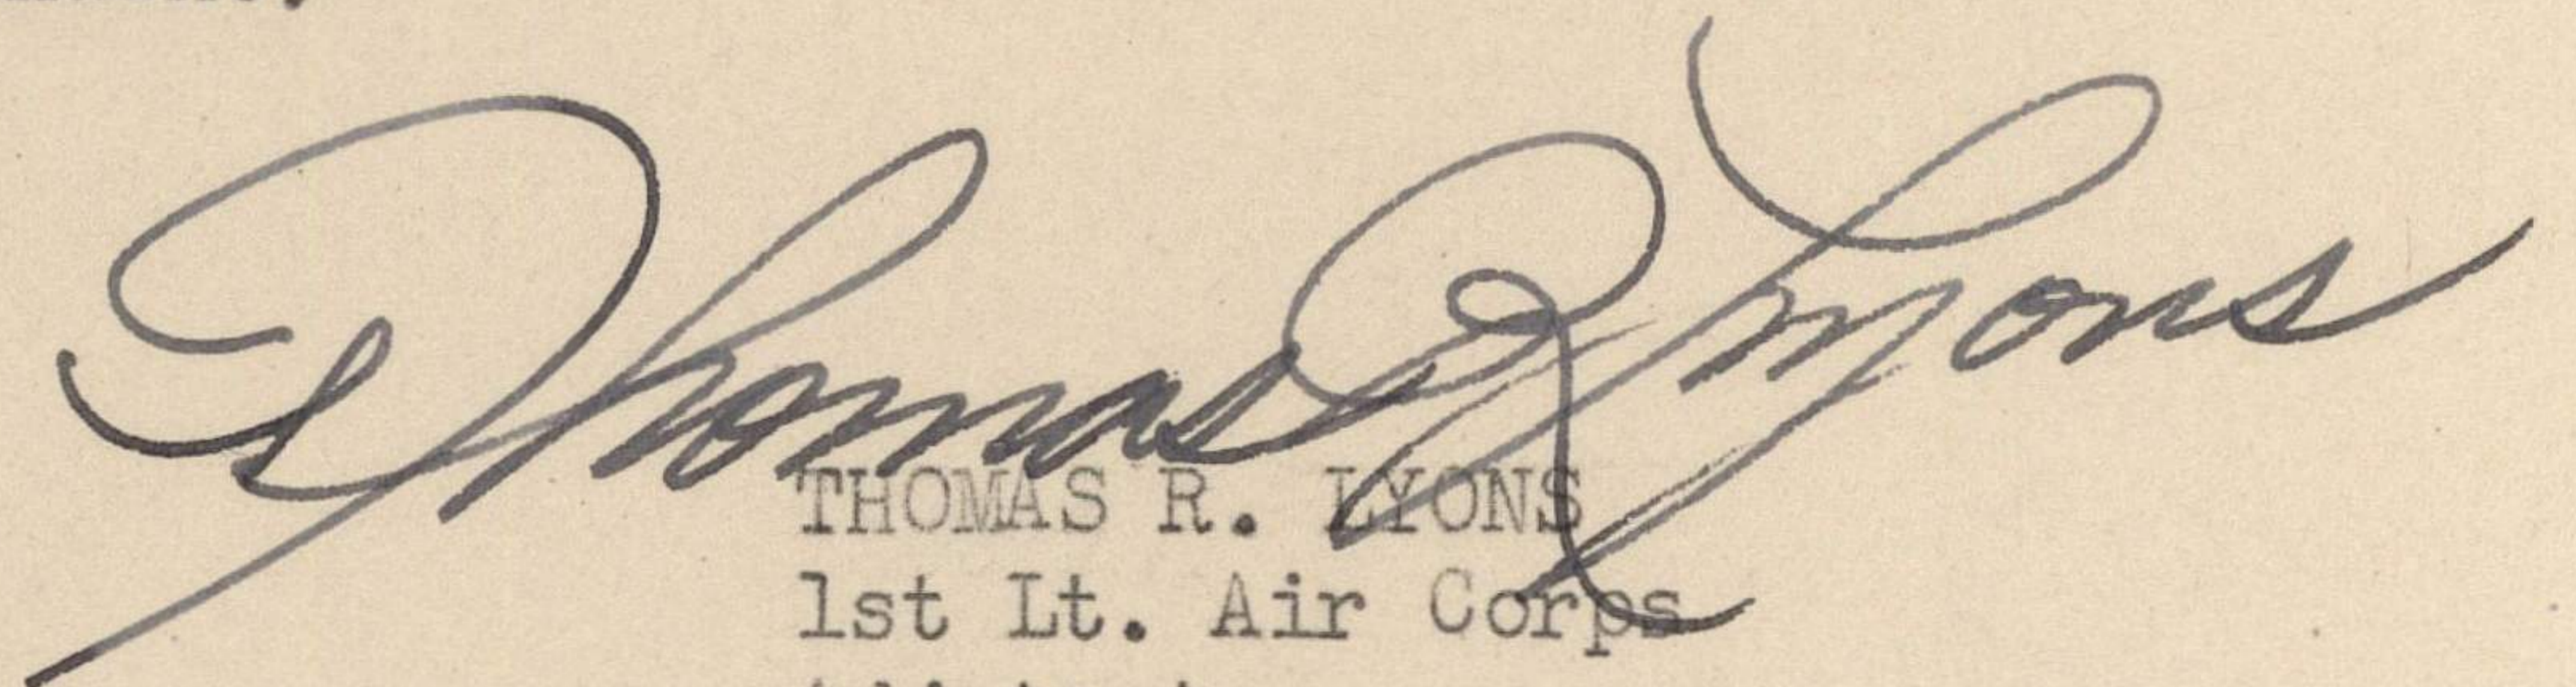

TO: Athletic Director, Kansas University, Lawrence, Kansas.

1. The basketball schedule at Smoky Hill Army Air Field is now being formed and it is our desire to schedule your station for at least one game. If at all possible a home and home game arrangement would be desirable. We will accept any dates that you may offer; however, due to our necessity in booking the auditorium we would like to know as early as possible the date you can play in Salina.

2. Every effort is being made to schedule the leading Army, Navy, and college teams in the country. The Smoky Hill basketball team will be one of the finest in the 2nd Air Force and it is hoped that it will be one of the nations leading service teams this season.

3. Our games will be held at the auditorium in Salina and our visiting teams can be housed in hotels or on the Air Base. Necessary transportation in Salina will be taken care of on arrival.

For the Station Commandant:

THOMAS R. LYONS
1st Lt. Air Corps
Adjutant
