Director of Athletics  
Kansas University  
Lawrence, Kansas

Dear Sir:

I would like to arrange a home and home series with your school in basketball. What ever dates would be convenient with you excepting any Wednesday night.

We are expecting to have a fair team. We have several ex-college players and I feel sure that we can provide strong competition for your team.

Would appreciate hearing from you at your earliest convenience.

Yours for Victory,

*Thomas Glennon*
