Dear Doc:

I wrote you the other day about officials for the games here on Dec. 16th. Believe I mentioned Lance and Oberhelman. I think I can get Abb Curtis here for the 16th. to work with Lance, and possibly use Lance and Oberhelman for the Dec. 22-23 series. Have you any objections to Abb.

How does your squad look this year; not that you would know too much about them at this early date but I imagine you have some idea of possibilities.

Yours sincerely,
