Mr. George Edwards, Basketball Coach,
University of Missouri,
Columbia, Missouri.

Dear George:

Once I heard of a Dutchman. He was not named Hoff, but his name was Kloppf. He was to serve on the jury. He got so so excited and mixed up, and he said, "Good-by, wifey, good-by. I got to leave my home in the country and go to Kansas City and serve on the jury. I know I am going to run over the car and kill somebody."

It is queer, when these Dutch have things explained to them sometimes fairly clearly that they cannot get it. I went in to talk to Ralph Baker, and Hoff dropped in. I was going down to see Mr. Hoff later and explain to him, but I wanted the dates held.

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
