Dr. W.W. Davis

University of Kansas

Dear Dr. Davis:

Dr. Allen asked me to call you over the phone and read you the following letter from Lowe & Campbell regarding the scoreboard. Having been unable to reach you by phone, I am quoting the letter as follows:

"No matter what you decide about the scoreboard which Mr. Royer wrote about on October 28th, we know you will want to get the item you are going to buy so that you will have it installed and ready for use at the start of your season.

"Will you please keep us posted as to your plans regarding the scoreboard? We want to supply the item you will use and of course we are anxious to get the order at such a time that we will be sure of getting it to you early."

Since it will take some time to install the board, Dr. Allen is anxious that the matter be taken up as soon as possible because the time is short; that is, if we get the scoreboard.

Yours sincerely,

Secretary to Dr. F.C. Allen
