Dear Doc:

It doesn't look too good for a High School game on Friday night at this time; most teams have their quota of games allowed, or they have a game scheduled that they can't move. Will keep trying. Talked to Clyde Baker a few minutes ago about arrangements, High School tickets, etc. Sent the wires out to the coaches yesterday. Paul says they must have the gloss prints, the others won't do.

Officials are so busy around here at this time. Markey came up with a bad attack of Sinus last night so I called Roy Brown at 1:00 a.m. and he will be there, as the bearer of this note would indicate. I remember that he was satisfactory with you when he worked at the Aud. here last year, even though you thought he lacked experience. I feel sure that he will be ok. tonight.

If you think of any details that we have not discussed about the games this week end send the word along by Roy.

Sincerely yours,

*R. E. Peters*

T.S. Where will you stay while here?
