Dr. Forrest C. Allen,
Basketball Coach,
University of Kansas,
Lawrence, Kansas.

Dear Dr. Allen:

I am sorry to bother you again regarding the
Tournament games at Kansas City December 22 and 23. According
to your letter of December 7, Kansas State plays first both
nights, but according to the announcement in the Kansas City
paper Missouri and Colorado play first on Friday night.
Will you please advise me at your early convenience which is
correct.

Coach Knorr is wondering if his purple uniforms
will work in all right in both games, or if he will also need
his white uniforms?

Kind personal regards and best wishes, and I am

Sincerely yours,

Frank L. Myers,
Assistant to the Director.
