Mr. Len Perlmutter,
Director of Athletic Publicity,
University of Colorado,
Boulder, Colorado.

Dear Mr. Perlmutter:

Your letter of December 5th, with enclosures, has been received. Also the mats of some of your players have come, but the package was received in such bad order that I do not know if all of them are here or not. There are no names on the mats.

I wonder if you will send some glosses to Mr. C. E. McBride, sports editor of the Kansas City Star, together with added publicity. The big papers will not use the mats, but they will use the glosses. Won't you send me a copy of all the stuff that you send Mr. McBride so that we can use some of it in our papers here?

I feel we are going to have a fine crowd, and this publicity will help.

Sincerely yours,
