Mr. Forrest B. Cox,
Basketball Coach,
University of Colorado,
Boulder, Colorado.

Dear Frosty:

Glad to know of your plans for arrival in Kansas City. I am enclosing a carbon copy of the letter I have written Mr. Hoff today, stating that you would like to have an opportunity to practice on the hall floor around ten or eleven. I hope this will be possible.

Sometimes the attraction the night before requires a clean-up process until early afternoon. Certainly I am sure you could have it in the afternoon. I will let you hear as soon as I have word from Mr. Hoff.

I also note that you leave at 11:30. We are planning on you playing the second game against Missouri that night. Missouri has a much stronger team than either Kansas or Kansas State, and I thought it would prove a better drawing card. We will play Kansas State in the first game. I am sorry that we do not have a strong team this year to give you the competition to which you are entitled.

We have not decided on the backboard. Which would you rather use? Either one will be agreeable with us.

Yes, we do want material and pictures for publicity purposes. Won't you send the pictures to me at your earliest possible convenience so that I can be sure they get preferential attention? I believe that your game with Missouri will be a dandy and I am looking forward to seeing you and the boys. Will the wife and family accompany you? I presume not, due to the rush.

Thanks for your cooperation. With best wishes, I am

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
