Dear Melvin:

I am sorry that it will not be possible for us to schedule a game with your team this season. Our boys are very young and inexperienced, and we have cut our schedule down considerably.

I trust that at some time in the future after the war we may play your team. Thank you for asking us.

Very sincerely yours,

Dear Phog:

Would it be possible for you to bring your Kansas University basketball team to Wichita for a game with the University of Wichita sometime this season?

We have an all civilian team made up of just youngsters. However, we will be better than average in that class, and would like to bring you for a game to be played at the Forum. If you have an opening on your schedule I shall be glad to hear from you.

Best personal regards.

Dear Eddie:

I am sorry that we are cutting down greatly on our games with service teams. I wish it might be possible to play your boys, but I am afraid not under the conditions.

Our youngsters are very immature, and while we played better than twenty-five games last year, I think we are playing only sixteen this year.

I do wish you lots of luck, and when the war is over we will be glad to see you at your old stand.

With all good wishes, I am

Sincerely yours,

Do you suppose there will be any possibility of working out a game for our team in Kansas City or Lawrence?

If you have any suggestions, they would be greatly appreciated. Could you play here on your Columbia trip?

Dear Doc:

I have just had the good fortune of being assigned as basketball coach for our Varsity team. The nature of training here does not permit an extensive program. However, we are most anxious to add to the present tentative schedule.

If you have any open dates, I should greatly appreciate your considering games with us. If we are too late to be included in your schedule, perhaps you could offer some suggestion. Would it be possible to be included in any tentative plans for the auditorium at Kansas City?

With very best wishes and looking forward to an early reply, I am

Dear Phog:

Thank you very much for your letter of October 19th with reference to our playing in the Municipal Auditorium on December 22nd. We appreciate your offer very much and are sorry we did not write you sooner as we would have been very glad for the opportunity of playing on both Friday and Saturday nights.

We are planning on leaving Los Angeles about the 12th of December and are anticipating games with Colorado College, Denver University, Washburn and possibly Utah while on the way to Kansas City. We consider it an honor to be able to participate with teams of your high quality and feel that the arrangements regarding financial consideration are very satisfactory.

We would appreciate an early confirmation with reference to these games as we are making reservations for transportation at this time. Thanking you again for your consideration, I remain,

Dear Coach Duer:

We have a set up in the Municipal Auditorium in Kansas City for December 22 and 23 with Missouri, Kansas State and Kansas playing double headers each night, but we have arranged for the University of Colorado to come in on December 23, Saturday night.

We doubtless could use you on Friday, December 22. You would play one of the three teams, the other two playing each other in the double header. On Saturday night we would use Colorado in that spot as we have previously agreed.

I am sorry that we did not hear from you earlier because we could have used you both Friday and Saturday nights to have completed our foursome. With your plans for the Oklahoma City trip and your appearance in Kansas City, I believe it would not be difficult for us to arrange another game for you somewhere in this territory. The arrangement that we have with these teams playing is that they shall pay their own expenses and the cut will be four ways after the rental of the hall is taken care of. Colorado is coming in under that basis. Would you be willing to do the same?

It has always been our experience with Kansas and Missouri playing in a foursome that they have done exceptionally well, and I believe all teams would come in for a good out. Would you be willing to entertain this idea?

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.

Dear "Phog":

We are surveying the possibility of a trip back through that section during the Christmas holidays and would like very much to include your team on our schedule. We are anticipating the possibility of the Oklahoma City tournament. Our Christmas holidays begin December 9th and end the early part of January and we would appreciate hearing from you regarding the possibility of games which would fit with these dates. If two or three dates might be available, we would appreciate your including them so that we may arrange a schedule.

Our purpose of such a trip would be two-fold; first, we should like to establish ourselves with teams of your top caliber who might be interested in a trip to the coast sometime; second, we should like to get some early season experience in preparation for our league schedule with SC, UCLA, and others of the Los Angeles area. We would like to pay our expenses but are not interested in financial gain for this trip. If you are interested, would you please suggest a financial arrangement which would be mutually beneficial.

Regarding our team, we have a rangy team which I am confident will be able to give a good account of itself with major competition. Our center will form somewhat the nucleus of the team, 6'7" in height, and in his second year of play here. Several other young men are well over 6'. For the past two years we have participated in the tournament at Kansas City; two years in the Intercollegiate, going to the quarter finals in 1943, and representing the coast in the NCAA last year, losing to Iowa State.

I should be happy to hear from you at your earliest convenience regarding the possibility of getting together for at least one game.

Dear Lew:

George Edwards and I talked over the phone last night about our games in Kansas City on December 22 and 23, and thought it would be best to have Colorado play Missouri on Friday night, and Kansas meet Kansas State. Then on Saturday night we will have Nebraska vs. Kansas State, and Missouri vs. Kansas.

Since there is no possible way to play an elimination tournament, with winners playing winners, and losers playing losers, we thought our drawing power would be better by having the Kansas-Missouri game on Saturday night. Missouri has a veteran team back, and we have only one of our regulars from last year.

Reaves Peters is arranging for officials and all the other details. I am sure we are going to have a nice tournament, and we welcome you in.

Dear Lew:

I am delighted that you can play in Kansas City on December 23rd. Frosty Cox had written me and said that he wanted the 23rd in Kansas City, but that he could play either the 22nd or 23rd. I am writing him today asking him to change to the 22nd because you are playing Minnesota on the 22nd, and the 23rd is the only date you can play. We are doubly anxious to have Big Six teams play in our four-some.

You will hear from me definitely, but you count on the 23rd. It is swell that you can be with us.

I was darned glad to see Kansas win a football game, but I was sincerely sorry to see you lose because you have really taken a beating and you have been a swell sport about it.

Dear "Phog":

Thanks for your letter of October 23 explaining the basketball situation in Kansas City.

Plan on the University of Nebraska playing December 23 in Kansas City. We will make up the fourth with Missouri, Kansas State and Kansas as opposition. We cannot be there on the 22nd because we are playing Minnesota here that night.

In regard to the football victory, Kansas won the ball game and I don't begrudge you the victory, except that I am awfully tired of losing games.

With best wishes, I am

Very truly yours,

A. J. Lewandowski

October 23, 1944.

Mr. A. J. Lewandowski,
Athletic Director,
University of Nebraska,

Dear Lew:

I dislike to bother you when you are busy with your football team, but I thought possibly you might want to play in Kansas City on December 23. We (Missouri, Kansas State and Kansas) are playing on the 22nd and 23rd.

We have arranged for Frosty's University of Colorado team to come on the 23rd because they cannot get away for two dates. He possibly could come on the 22nd if you could come on the 23rd.

My angle in asking you is to get four Big Six teams, if possible, under the tent in one evening. Cliff Rock has written regarding his Denver team and he wants to get in on the foursome. And then George Pepperdine College wrote saying they were making a trip, so this morning I called George Edwards and asked which outfit he would rather play.

Now, to be perfectly frank with you, Lew, I don't want to talk you into something that you do not want to get into. We can get Denver and Colorado to fill the foursome this year, but you know I have always tried to get all of the Big Six teams together. If you would like to come on the 23rd I will see if Frosty can change his date to the 22nd, and that means that Denver and Pepperdine would be out.

Won't you write me at your earliest convenience? And do not feel that we are trying to talk you into something. Frankly, if you do not want to come we can make it out this year, but we hope next year that we can plan to have all six Big Six schools in on a week-end tournament in Kansas City. We will make as much on those games as we will make all season in our early games. I am confident that we will pack the hall each night. Someone suggested that we get a Rocky Mountain Conference team and a Big Ten team to complete an eight-team tournament. My, what a dandy that would be!

I was sorry to see you devoid of so much material, but of course no one could deny that the victory for Kansas, even though

we caught you very short, would be helpful for the sport. Just think, since 1896 Kansas has not beaten Nebraska on Kansas Field, although in 1920 when I coached the team and Henry Schulte was coaching Nebraska, we came back after a 20 - 0 score against us to tie them up, and to cap it all we missed the last goal for a touchdown. But we built the stadium on the strength of that game. So after all, those things happen, don't they, Lew?

It was good to see you.

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.

Mr. A. J. Lewandowski,
University of Nebraska,
Lincoln, Nebraska.

Dear Lew:

I have forgotten just what date you are open or closed on your pre-Christmas schedule. I have been designated by the Big Six boys interested in the Kansas City games to arrange a foursome. And hoping that you might fill in on one of these games, at least for one night, I am writing you.

On the 16th of December Bruce Drake's Oklahoma team and the Iowa Seahawks will play half a double-header. I think we have Ev Shelton and maybe Arkansas to fill in, but we are not sure of Arkansas. I am asking Bruce Drake to take it up with Arkansas as he is well acquainted in that region.

On the 22nd and 23rd of December, Missouri, Kansas State and Kansas are playing double-headers each night but we need a fourth member. Frosty Cox of Colorado is interested in coming in one of those nights, but with a Navy outfit he can make only one night. I have asked him to give me his preference on which night he would like to come.

I am wondering if you could come in either the night of the 15th or 16th, or could you come in the night of the 22nd or 23rd. If you could, I believe you would make some money even though you made a trip down from Lincoln for the one night. Personally, I am not planning to enter Kansas on the 15th or 16th, because some of the brothers might think that we were pushing our entry too rapidly.

Lots of good luck to you, Lew. I will be seeing you the 21st of October.

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.

Dear Reaves:

Ted is all right. Why can we not have Meisinger? Although he is a Kansas State man, I still would like to use him. I find that I would much rather get these men who work in high school games because they will call a foul. I just don't want Cecil Peterson because I think he never will be a good official. I have just struck him off my list for the future because I think he officiates from the outside of the skin rather than the inside of judgment.

Eddie Hogue is O.K., and so would Max Roper be, but I believe that Meisinger would be better. I will take the responsibility so far as I am concerned in his being a Kansas State man.

What about Parke Carroll? Did he get back to Kansas City?

If you do not want to use Meisinger at Manhattan on February 16th, that is O.K., but let's use him at Lawrence. There is nobody here that knows he is from Kansas State, and I don't think it will affect him. If we could use Parke Carroll at Manhattan it would be fine. Max Roper, of Lincoln, will be all right at Manhattan. Let me know what you think.

What about this tall, light-haired boy from Topeka - Fager? He worked some of the clinic games at Hutchinson. Why don't we try him?

Gentlemen:

I have Ted O'Sullivan for your game at Lawrence on Jan. 30 and Lance for the game in Manhattan on Feb. 16. Neither official can work on the other date.

Your third choice at the Aug. meeting was Meisinger, but since he is a Kansas State man I rather use someone else if it is agreeable with you. I imagine that I can get Eddie Hogue, Cecil Peterson, Max Roper of Lincoln or any number of college officials in this area. However, I think one of the above three would be better.

Will you kindly let me know about this right away.
