Mr. A. O. Duer,
Coach of Basketball,
George Pepperdine College,
1121 West 79th St.,
Los Angeles 44, Calif.

Dear Coach Duer:

We have a set up in the Municipal Auditorium in Kansas City for December 22 and 23 with Missouri, Kansas State and Kansas playing double headers each night, but we have arranged for the University of Colorado to come in on December 23, Saturday night.

We doubtless could use you on Friday, December 22. You would play one of the three teams, the other two playing each other in the double header. On Saturday night we would use Colorado in that spot as we have previously agreed.

I am sorry that we did not hear from you earlier because we could have used you both Friday and Saturday nights to have completed our foursome. With your plans for the Oklahoma City trip and your appearance in Kansas City, I believe it would not be difficult for us to arrange another game for you somewhere in this territory. The arrangement that we have with these teams playing is that they shall pay their own expenses and the out will be four ways after the rental of the hall is taken care of. Colorado is coming in under that basis. Would you be willing to do the same?

It has always been our experience with Kansas and Missouri playing in a foursome that they have done exceptionally well, and I believe all teams would come in for a good out. Would you be willing to entertain this idea?

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
