

we caught you very short, would be helpful for the sport. Just think, since 1896 Kansas has not beaten Nebraska on Kansas Field, although in 1920 when I coached the team and Henry Schulte was coaching Nebraska, we came back after a 20 - 0 score against us to tie them up, and to cap it all we missed the last goal for a touchdown. But we built the stadium on the strength of that game. So after all, those things happen, don't they, Lew?

It was good to see you.

Sincerely yours,
