Dear Mr. Allen:

I have your letter of December 3, regarding your basketball team.

It is perfectly all right to house the team at the Robert E. Lee, because there is no difference in the set up whether they are at the State or the Lee.

We are, therefore, reserving space for twenty of your boys at the Robert E. Lee for the nights of December 12, 22, and 23. This will consist of six twin bedded rooms at a rate of \$2.00 per man and four double rooms at a rate of \$1.50 per man.

I want you to know at either hotel we appreciate your business and shall do everything we can to make your players comfortable. Looking forward to seeing you again, I am,

Cordially yours,

Dear Mr. Baker:

Tom Dorney, coach at Ward High, has indicated that he will be glad to cooperate with the sale of the special high school tickets for his game with Northeast on Dec. 23rd, as a preliminary to our double-header.

Will you kindly get in touch with him about tickets? They will be handled the same as last year, with one-half the proceeds going to the high schools. We don't want to make the mistake that we did a year ago with Coach Dorney.

Dear Reaves:

Tom Dorney has written that it will not be necessary to honor their student tickets for the game in the Auditorium on the 23rd. He is glad to cooperate under the same plan as we have made for the other high schools.

Do you want to handle tickets for your game with Ward? The arrangement is that a special price of 25¢ is made to high school students, with the high school keeping one-half of the money for the sale of these tickets. You may get tickets from Clyde Baker, at the Auditorium.

Sincerely yours,

Dear Clyde:

Thanks for your letter of November 29. I am glad to know you have the tickets and are all set for our Rockhurst game in Kansas City on December 12.

The ticket sale arrangement for all the high schools will be the same as last year, namely, that the tickets are to be sold to high school students for 25¢ and the high school selling them is to keep half of the amount of money as their own and the other half is to be turned in to you at the Auditorium. Representatives of each school may get tickets from you.

The coaches you contacted last year were Mel Bishop, of Southwest High, Tom Dorney of Ward, Harold Reade of Shawnee-Mission, and at Rockhurst this year Father Daly is in charge of the high school athletics.

I am sending a copy of this letter to each of these coaches so that they will be advised of the procedure. Mr. Reaves Peters is handling the matter of officials.

Dear Mr. Hoff:

I have just received word from Coach Frosty Cox of the University of Colorado stating that they will arrive in Kansas City at 7:45 a.m. on December 22. Colorado would like to have an opportunity to practice on the hall floor around 10 or 11 o'clock, if this is possible. I will appreciate your doing everything possible to bring this about.

If it is not possible for Coach Cox to have the floor around 10 or 11, will you please write him at the University of Colorado and advise him of the time he may get on the floor? We will come in after lunch and might want to use it for a very short while.

I have written Coach Cox asking his preference on wood or glass backboards. As soon as we have word from him and Coach Edwards we will let you know which ones to erect.

Received your letter regarding the tickets and price
for the Rockhurst game.

I am ordering the tickets today as you suggested.
I will get the high school tickets printed and when the coaches
come in will let them have them to sell.

Very sorry about Tom Dorney of Ward High. It was just
one of those things that happen; in fact, I don't even remember
it. This year I will talk with Tom and in some way make up
the difference of what he lost on the other sale.

I will wait until I hear from you again on the 22nd.

wrote me "confidential".

Mr. Clyde Baker,
Municipal Auditorium,

Dear Clyde:

Certainly the prices we charged last year will be quite satisfactory. So you set up the same deal that you had for Rockhurst.

We are asking Shawnee-Mission and Rockhurst High to play a preliminary game, and we will want that 25¢ ticket proposition for the high school students. I am writing Harold Reade, coach of Shawnee-Mission, and Lew Lane, of Rockhurst, telling them to see you regarding that special ticket for the high schools.

And remember that the high schools get fifty per cent of the sale of those tickets. A year or so ago Tom Dorney of Ward High forgot to collect his fifty per cent. He turned it all in and lost it all, and I don't want to take advantage of these people.

Now, for our double headers on the 22nd and 23rd of December. I have got it all set up, and since we have not given out any publicity on it as yet, what I am telling you is confidential. We are going to have Nebraska on Saturday night, and Colorado on Friday night, together with Missouri, Kansas State and Kansas. We are not ready to break our publicity on this as yet.

I think we will also arrange some high school preliminary games for the 22nd and 23rd, but since we have only the single game with Rockhurst College on December 12th, I believe the price should be less than for our double headers on the 22nd and 23rd.

Very sincerely yours,

Director of Physical Education,

need is what price to charge

I suggest we use the same

price - with the extra 10% Tax
added - that would make the ^{\$1.68}

also the others 1.25 and 85¢

Please let me know how this
