Dear Marion:

Yes, indeed, we will be happy to have your basketball squad as our guests when we play Rockhurst in Kansas City. Will you let me know how many tickets you want for yourself and your squad, and I will see that they are left at the Auditorium for you.

We also play the 22nd and 23rd, but tickets will be tighter in those games, but we will arrange it.

Owen Peck is a grant boy and I am thankful to you for your kindness in giving me the valuable information. We will come along before the year is over.

With all good wishes, I am

Sincerely yours,
