Lt. W. H. Yost,
Basketball Officer,
Naval Air Technical Training Center,
Norman, Oklahoma.

Dear Lieutenant Yost:

It might be that we could play you in Norman on December 9th. I have been working toward that situation and it looks as if it may materialize. I will write you in the very near future.

We are endeavoring, of course, to arrange our basketball schedule with the colleges before we play the service teams. Our Chancellor objected to our playing so many games last year, and for that reason we are trying to hold our non-conference schedule to the minimum.

Very sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
