

I am not particularly interested in playing in Denver. What teams would you play there? If we play any place I would much prefer to play in Kansas City where we have nearly double the seating capacity and we are in our own territory. I will be glad to cooperate with you, but I do not see the advantage of playing in Denver unless it is to give the boys a trip, and frankly I am not worrying about that in war times because it puts too much of a load on the railroads.

With all good wishes to you and your good family, and especially to Harold Keith and family, I am

Sincerely yours,
