

October 16, 1943.

Lt. Commander Harvey J. Harman, USNR
Athletic Director,
U. S. Navy Pre-Flight School,
Iowa City, Iowa.

Dear Commander Harman:

I have not answered your letter because I am still debating just how strongly Kansas and the Seahawks will draw in Kansas City. We played Great Lakes in the first world war in Kansas City, and played them twice in the second world war, and they have established a traditional drawing power.

However, I think your football game with Missouri this Saturday night will pretty definitely establish the Seahawks dragging power in Kansas City. Last year in December the weather was so terribly bad it was not a fair indication, but if you and I both think after the Missouri football game that the Seahawks will draw well in basketball we will go ahead, if agreeable with you.

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.

Dear Mr. Allen:

Lieut. Nordly and I appreciate your letter of Sept. 27th. We expect to have a right good team here this year in basketball, and I believe the Seahawks would draw well in Kansas City, not only in their own right, but because the Seahawk name will be in front of the public in connection with our football game their next week.

Wince Kansas City is within our district, we would have no difficulty in getting permission to play the game if you feel the same way about it. I suggest that we go ahead with plans for the game.

Cordially yours,

Harvey J. Harman,
Lt. Commander, USNR,

Dear Lieutenant Nordly:

It was a pleasure to meet you and have a visit
with you in Kansas City on Sunday, the 19th.

I am sending you a carbon copy of the letter I
have written to Commander Harman, your athletic
director.

With all good wishes, I am

Lt. Commander H. J. Harman,
Athletic Director,
U. S. Navy Pre-Flight School,
Iowa City, Iowa.

Dear Commander Harman:

While in Kansas City, your Lieutenant Nordly sat in with the Big Six basketball coaches. During our conversation with Lt. Nordly I told him that last year "Tony" Hinkle's team and Kansas played in Kansas City's Municipal Auditorium, with a very inviting gate. We were to play again this year, but the Navy has refused to let Hinkle play any games out of the Fourth N.C.A.A. area.

We had a game scheduled with them for February 5, 1944, in Kansas City. I raised the question whether it would be lucrative as well as agreeable to play the Iowa Seahawks on that date. I am not sure how the game will draw, but am just writing asking if you would let me have your opinion concerning this game. Of course, we would not want to schedule it unless it would draw well. What do you think about it?

I would appreciate your opinion contingent upon the possibility of scheduling a game.

Very sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.

Dear Dr. Allen:

Just a few lines relative to the proposed basketball game between Kansas University and the Iowa Seahawks for February 5 at Kansas City.

It will be possible for us to make the trip. The details involved will have to be arranged by Lt. Comdr. H. J. Harman, our Athletic Director, and you. I would like to suggest that you write to him in the near future concerning final arrangements.

I wish to take this opportunity to thank you and your fellow "Big 6" coaches for the hospitable manner in which you allowed me to sit in on your meeting of September 19.

Cordially yours,

Dear Lieutenant Nordly:

Have you checked concerning your date of February 5th in Kansas City? I am not sure that the management of the Auditorium will approve this date, but I wanted to learn if you are free so that we may take the necessary steps.

It was a pleasure to meet you, as I know your brother very well. I conveyed your kind wishes to Lieut. Ben Douglas. He was happy to hear from you.

Mr. Louis Menze,
Basketball Coach,
Iowa State College,

Dear Louis:

I think where you got the idea that George Edwards was secretary was on account of the fact that he was chairman of the basketball rules committee of this district.

We definitely elected you secretary of the conference coaches association. So, little fellow, you can't get out of your job. We are asking you to poll the other conference coaches to see when we might meet again to draw up a revised schedule to include our Kansas cousins, the Kansas Aggies.

With all good wishes to you and yours, I am

Sincerely yours,

Director of Physical Education,

October 7, 1943.

Mr. Jack Copeland,
The Wichita Beacon,
Wichita, Kansas.

Dear Jack:

I am wondering if Wichita U. is going to have a basketball team. We will use Navy men and of course it will be necessary for us to get back within 48 hours. I am explaining this because Hal Middlesworth wanted us down there in a tournament in which Oklahoma Aggies and other teams were entering, but I turned that down because I am definitely playing the game in the spirit and the letter as the ODT wishes. We are making no long trips anywhere, and that is why I am asking you about Wichita U.

We have good grounds for playing a college in our own state, but we are not going out of the state, except for Big Six Conference dates. And too, I think it would be impossible to play in a tournament if you got one up at Wichita. We might play some service team if you think that would draw better than Wichita University.

We have a lot of alumni in Wichita, and since they can't come to see us play, we would go to them. Please keep this confidential, as I have a great number of schools which want to play hither and yon, but I have turned them down. But I would do this for you if you think you could boost a good crowd.

I missed you at Washburn. I looked for you, but apparently you did not arrive. I would have enjoyed a chat with you.

With all good wishes, I am

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.

Dear Ensign Ware:

It was very nice of you to take the initiative today in regard to allowing the boys to stay later for basketball practice. I want you to know that I appreciate your fine cooperation.

Within the next few days I will submit a list of the boys to you, and will designate the ones that I would like to have stay for longer practice. Of course, I understand that the boys on "restricted liberty" will not be permitted to stay later than 5:30.

We are practicing at 4:30 on Tuesdays and Thursdays, and perhaps by next Tuesday we will be able to keep certain of the boys later than 5:30. I will give you a list after our practice on Thursday of this week.

Very sincerely yours,

Director of Physical Education,

Dear Reaves:

Thank you for your letter of the 21st. I am enclosing a copy of our Big Six schedule. I have also added the tentative date with the Iowa Seahawks. This is not to be announced, however.

When you hear from George Edwards and the other coaches let us know what decision they make.

Sincerely yours,

Gentlemen:

I contacted Mr. Hoff today and have very little news that is good to report.

The date of Dec. 17 has been contracted for by an Evangelist and he will not make a change; he feels that the last night will be his big money night- I had always thought that they counted on the last night as an ideal night for saving more Souls. The night of the 18th. is open.

The week-end of the 31st. and 1st. was suggested but that too is taken for the big Christmas party. The week-end of the 10-11 is taken but he feels sure that he could make a change here if you would care to come on that night. I remember that Nebraska has a game scheduled on that night; perhaps others have planned to play on that week-end.

Mr. Hoff spent the entire day in an attempt to get the 17-18 open for you as he is very anxious to have you play here this Winter. He has some week-end dates open in January but of course that would not help this combination.

Sorry I couldn't make a more satisfactory report.

Very cordially yours,

Reaves

R. E. Peters

P.S. Will be looking for your Conference schedule right away, and your non-conference games as they are scheduled.

To Big Six Basketball Coaches:

A letter from Louis Menze has just reached me in which he is of the opinion that I was named secretary of this group at our last meeting, and that I should do something about a call to discuss a schedule.

I do not recall any appointment as secretary, but since time is getting a little short, I won't argue so here is a request for an immediate reply as to your wishes.

Menze says that he and Lewandoski cannot get away for a Saturday meeting. He suggests that we meet on a Sunday.

Therefore, I am calling a meeting of Big Six basketball coaches for the purpose of drawing up a conference schedule on:

SUNDAY, SEPTEMBER 19, 10:00 a.m.
HOTEL CONTINENTAL, KANSAS CITY, MO.

Recently I read a letter from Mr. Ahearn in which he asked that Kansas State be ignored in our plans as all available practice and playing floors are being used by the soldiers. Nevertheless, I am sending him a copy of this notice and requesting that he send me a definite announcement of Kansas State's intentions.

If the above time and place meets the approval of the others it will not be necessary to reply to this letter, and I will assume that lack of an answer means that all will be on hand.

HOWEVER, if any one cannot meet as proposed send me notification immediately together with a list of acceptable dates so that I can contact others in time to make any changes if necessary.

Yours truly,
Geo R Edwards

Dear "Phog":

Received your letter of August 25 relative to
basketball.

I was sorry that we could not meet this coming
Saturday. However, I will be glad to meet with the coaches
on whatever date is convenient to all of them. I am enclos-
ing a football schedule so that you will try to make arrange-
ments not to conflict with my travel too much.

I see that you have quite a crew out for football
and no doubt you will be the same way in basketball. You
have a mighty fine boy of mine by the name of McArthur who
is in A-12. Don't get any illusions about using him--he is
my boy.

Dear Reaves:

Received your note relative to the basketball dates of December 17 and 18 for our foursome in Kansas City.

I take it, since we cannot get the auditorium, that we will just drop the entire matter. If this is the consensus of opinion, we can fill those dates.

Very truly yours,
