Mr. Louis Menze,
Basketball Coach,
Iowa State College,
Ames, Iowa.

Dear Louis:

I think where you got the idea that George Edwards was secretary was on account of the fact that he was chairman of the basketball rules committee of this district.

We definitely elected you secretary of the conference coaches association. So, little fellow, you can't get out of your job. We are asking you to poll the other conference coaches to see when we might meet again to draw up a revised schedule to include our Kansas cousins, the Kansas Aggies.

With all good wishes to you and yours, I am

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
