To Big Six Basketball Coaches:

A letter from Louis Menze has just reached me in which he is of the opinion that I was named secretary of this group at our last meeting, and that I should do something about a call to discuss a schedule.

I do not recall any appointment as secretary, but since time is getting a little short, I won't argue so here is a request for an immediate reply as to your wishes.

Menze says that he and Lewandoski cannot get away for a Saturday meeting. He suggests that we meet on a Sunday.

Therefore, I am calling a meeting of Big Six basketball coaches for the purpose of drawing up a conference schedule on:

SUNDAY, SEPTEMBER 19, 10:00 a.m.  
HOTEL CONTINENTAL, KANSAS CITY, MO.

Recently I read a letter from Mr. Ahearn in which he asked that Kansas State be ignored in our plans as all available practice and playing floors are being used by the soldiers. Nevertheless, I am sending him a copy of this notice and requesting that he send me a definite announcement of Kansas State's intentions.

If the above time and place meets the approval of the others it will not be necessary to reply to this letter, and I will assume that lack of an answer means that all will be on hand.

HOWEVER, if any one cannot meet as proposed send me notification immediately together with a list of acceptable dates so that I can contact others in time to make any changes if necessary.

Yours truly,

*Geo R Edwards*
