My dear Mr. Allen,

Thank you for your letter of June 14th.

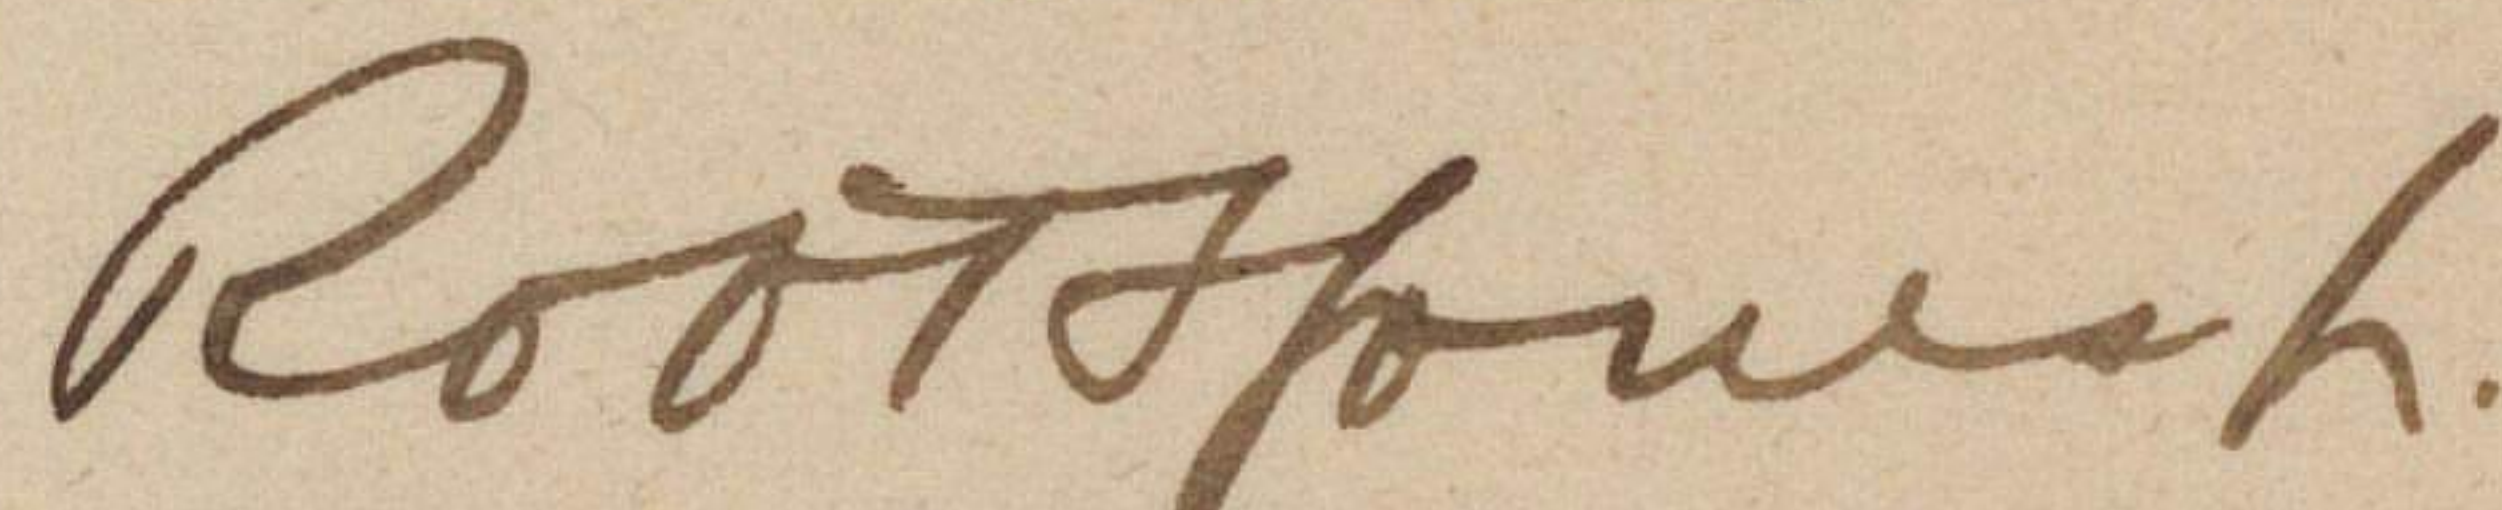

We take pleasure in sending you under separate cover three sets of the golf photographs which have been prepared by the Research Laboratory of A. G. Spalding & Bros. Inc. An explanation of each of the pictures is also attached.

We shall be pleased to have you display these pictures on your bulletin board and to make use of them in your golf classes.

We trust that this material will prove interesting and helpful to you and to your pupils.

We look forward to hearing from you again.

Sincerely yours,

Robert T. Jones, Jr.
