Mr. Clarence B. Hoff, Director,
Municipal Auditorium,
Kansas City, Missouri.

Dear Mr. Hoff:

Thank you for your kind letter of September 30th. I am writing to Lou Lane asking what date he would suggest. I believe we could play Rockhurst over there, and then later have a return game here at Lawrence.

It seems now that it will be impossible to get the Big Six double-header, so we will have to have single dates. Nebraska could not play on the 10th and 11th of December, but Kansas and Oklahoma will play a single date in Kansas City, and we may be able to work in some high school games as curtain-raisers as we did last year. So I will be glad if you will hold the 11th and 18th of December for us.

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
