Mr. Clarence Hoff,
Director,
Municipal Auditorium,
Kansas City, Mo.

Dear Mr. Hoff:

I am enclosing a copy of my letter to Lew Lane, and would appreciate it if you will hold the 4th of December tentatively for our game in the Auditorium. Some time soon I will run in and talk to you about some other dates, and we can plan a general strategy meeting to draw the biggest crowd possible to our Kansas games.

What dates do you have open during the Christmas holidays? We want to arrange one or two games some time between the 18th of December and the first of January. I will appreciate it if you will send me a list of your available dates.

Cordially yours,

Director of Physical Education,
Varsity Basketball Coach.
