Manager, Municipal Auditorium,  
Kansas City, Mo.

Dear Mr. Hoff:

In Reaves Peters letter of September 21 he states that December 18 is open. He also states that the week-end of the 10th and 11th of December is open.

I am wondering if you will be kind enough to save these dates for us. This is not necessarily for the University of Kansas, but the Big Six, but I think we had better ask you to hold them and either Kansas will take them or Kansas and Oklahoma, or as many of the Big Six teams as we can get plus a Big Ten team, if possible.

What do you think about Rockhurst? Will they have a basketball team, and if so, I believe we could play them on one of the early nights in December and draw a pretty good crowd.

I am just getting my finger in the pie early so that all the dates will not be closed. I have a letter from Bruce Drake, suggesting that Oklahoma and Kansas play on December 18, and I am for it. Let me have your ideas.

Very sincerely yours,
