Dear Chief:

This is to identify the varsity basketball team of the University of Kansas. We appreciate your kindness in letting the boys eat at this time.

Dear Reaves:

In checking over your composite schedule for the Big Six basketball games I find these corrections should be made:

Kansas plays at Manhattan on February 23  
(instead of February 24)

Missouri plays at Lawrence on February 26  
(instead of at Lincoln on that date).

Also, I notice that you have Missouri playing at Norman on two dates - January 15 and February 5.

Our game with Washburn at Lawrence which was scheduled for February 1, has been changed to February 2, at the request of Dee Erricksen.

Sincerely yours,

Director of Physical Education,  
Varsity Basketball Coach.

Dear Dr. Allen;

Am enclosing an expense account for the trip to Lawerence  
This was made out in the office of the Comptroller and handed to me  
this morning. I see it is not itemized and if you wish an itemized  
statement, I will be glad to get it for you.

We enjoyed both the contests played with your team  
and my boys spoke very highly of the sportsmanship of the boys on  
your team. I hope that we may have many more friendly contests in  
the future. I also hope that some time in future contests that we  
might come out a "victor"

Mrs. Lane joins me in wishing you and your family  
a Very Merry Xmas and all good things for the New Year.

The sophomores will get their sweaters, and the seniors, if they prefer, may order blankets. As you know, only two awards are made; for that reason only the seniors may have a choice of sweater or blanket. Kindly send us the size of sweater, giving chest and arm measurements, and let us know to whom it should be sent.

P.S. The 6:50 p.m. Santa Fe over which we bought out tickets, was reported at 8 p.m. then 10 p.m., which made it impossible for us to ride the Santa Fe. We had to requisition cars and Lindquist and Barrington were able to accommodate us. Since there were 13 in the party, 12 rode in the two cars and Allen took the Union Pacific to Kansas City. On the way back the trains were so crowded that Dean Nesmith, Charles Moffett and Sparky McSpadden were unable to board any of the Santa Fe trains; hence they came on the bus. This necessitated extra expenditure.

Mr. Karl Klooz,  
Athletic Director,  
University of Kansas.

Dear Mr. Klooz:

I acknowledge receipt of your letter of the 18th regarding expense statements and how they should be executed. At the first opportunity when I am in Topeka and Kansas City I will get the necessary receipts to supplement my expense account.

I told Earl that both at the Muehlebach and Harvey House when I asked for receipts there was a long line waiting and they said, "If you want a receipt you will have to get it later."

It happens with the team that we have generally been in a rush with a big crowd and it was absolutely impossible to get the receipts, but I will procure them. If I do not get them the first time, I will go back the second time and get them. I think you have traveled enough to appreciate that situation.

You will remember at Columbia, Missouri, I gave the boys money and they bought their own meals. I also gave the boys money at Lawrence, Kansas, on the way back from Columbia when they did not eat in Kansas City for the noon or evening meal. How do you want those receipts made out?

Regarding the charge in Topeka. We played the game December 10 and I made my report for six games about January 12 from expense notations. I have written several checks to Bill Lindquist and if I have only given him \$4.50 I will give him the other 50¢. Thank you for calling this to my attention. I realize that this is no valid excuse for the error but I was tremendously busy with many details which prohibited me from making out these expense accounts. I paid Dean Nesmith \$5.00 for his trip. The extra mileage was figured in going for pregame meal, then to Washburn, and for postgame meal and then taking the boys to their individual homes when we returned to Lawrence. This would figure \$5.00 per car. Hereafter I'll make each report of every game immediately after it is played.

Doubtless you have already charged the administration and credited basketball for your trip to Columbia.

I assure you of my full cooperation.

Sincerely yours,

Director of Physical Education,

~~Regarding the car fare to Topeka, when I made these expense accounts out one after another, due to my inability to make them sooner, I charged \$5.00 a piece for the three cars for myself, Dean Nesmith and Bill Lindquist. I looked at the check I made out to Dean Nesmith and found it was for \$4.20, and I am giving him the 80¢ additional.
