Dear Phog:

I appreciate more than I can express your short letter of April 27 in reference to our annual report. It could have been much better; however, with conditions as they were in the oil industry and business in general, we really feel proud of our year's operations.

I had hoped to get up to Lawrence for the relays, but things were just too rough. Mary Louise will visit the Pi Phi house I believe next week end, and I know that she plans to drop down to see you and Mrs. Allen and of course the girls.

I appreciate your taking the time to write me such a nice letter, and I hope our paths may meet some place this summer.

With kindest personal regards, I am

Sincerely yours,
