Lt. Jack Gardner,
Director of Athletics,
Fairfax Airport,
Kansas City, Kansas.

Dear Jack:

I have made reservations here at the University for our auditorium on January 4th. It is in use the 5th and 6th, but fortunately the 4th was open.

I have taken the matter up with Mr. Earl Falkenstien regarding the dates of December 5th and February 8th, and Earl will arrange the matters in contract form and send them to you some time in the near future. You will be the host school in Kansas City on December 5th. This is the date that the Pre-Flight School of Iowa City plays Missouri, and I think that we should have a mighty good crowd.

You check with Jimmy Nixon and see what the two cheapest and best drawing cards would be for that night to insure us a good crowd.

I have also written Hank Iba asking him about the January 29th date with your team as his opponent.

We, of course, will play you at Gardner, Kansas, on February 4. This is to confirm our conversation of this a.m.

Very cordially yours,

Director of Physical Education,
Varsity Basketball Coach.
