Mr. Louis Menze
Basketball Coach
Iowa State College
Ames, Iowa

Dear Louis,

I am wondering whether or not any ruling has been passed by the Big Six against freshman basketball teams playing games this season.

We have received invitations to play police teams and other teams, and I do not know the ruling. I am familiar with the ruling regarding freshman football teams, but not with the ruling about basketball teams.

I wanted to eat with you Saturday noon, but Otto Unruh, one of my former students from Bethel College, Newton, Kansas, asked me to go with him to have a photograph taken which he wanted to use for publicity purposes for our game with Bethel on the 18th. This is the reason that I didn't show up.

Please accept my kindest regards and best wishes for the entire Menze family.

Sincerely,

Director of Physical Education and Recreation
Varsity Basketball and Baseball Coach
