Dear Dr. Allen:

I want to thank you for writing Reaves Peters and Verne Wilkin such nice letters. That was mighty swell of you.

Verne told me after we saw you that he was going to say something to you but the other gentleman was present, so he thought that he would just write you. I left it entirely in his hands as he is my boss, you know, and we seldom talk about the time out I take to officiate.

I had a nice letter from Lewandowski and he stated he was getting in touch with Reaves Peters but I haven't heard a thing from Mr. Peters.

Thanks again for the interest you have taken in me and I hope that I will be able to repay you someday.

Very truly yours,

Dear Verne:

I have assured Cecil Peterson that I would be happy to use him in some of our ball games. Last year I wrote Reaves Feters and told him that I would like to use him. I am writing him another letter and sending you a carbon copy so Pete may have it.

Dr. Charlie Lyons, andold player and teammate of mine on the Kansas City Athletic Club in 1905 and 1905 wrote me regarding him. He is Pete's father-in-law.

You get hold of Reaves Peters, put a little pressure from your end of the line. I will be glad to use him, I assure you.

It was a pleasure to see you.

Dear Phog:

Enjoyed our short visit with you. Wanted to mention something about Peterson's working a game or two for you one of these days, but decided not to as the newspaper reporter was there in the crowd.

Working a ball game for you would be a big feather in the young man's hat and I can assure you Peterson would surely appreciate such a break from you. He informed me he did work one of Jack Gardner's games last year. You can be assured that this boy is a very good booster for Forrest CA Allen.

Dear Reaves:

Some time about a year ago I wrote you concerning my desire to use Cecil Peterson in some of our games. Peterson is a son-in-law of Dr. Charlie Lyons, of Topeka, Kansas, an old teammate of mine years ago when I was playing with the Kansas City Athletic Blub.

Peterson has conched at Washburn and I understand that he worked a game for Jack Gardner last year. Since Peterson is in the insurance business in Kansas City I am wondering if it wouldn't be just as well to use him in one or more of Jack Gardner's games with the Gardner Pre-Flight School.

I am sending you our revised schedule so you will know what our schedule looks like at the present.

My actions in accepting Browning, Peterson and these other boys shows you I am very much in earnest toward using some new blood in our conference.

Sinoerely yours,

Director of Physical Education, Varsity Basketball Coach.

Dear Pete:

The only non-conference game that we have scheduled at the present time is with the University of Iowa, which is at Lawrence on December 21. I doubt if Rollie Williams will be agreeable to using you as he is rather careful to pick some fellow who is supposed to be a stand-out in the conference.

We may play Creighton University, of Omaha, here and if you could get Eddie Hickey to agree on you that would be fine. But again it will be about the same situation when we meet those fellows and the Oklahoma Aggies. Have you ever worked for Hank Iba? If so, let me know and I will see if any of these fellows would agree upon you.

We are not playing many set ups and they are mostly tough teams, so I don't know whether I can help you out much or not, but I will at the first opportunity.

Dear "Pete":

The coaches met last Saturday in Kansas City just prior to the Stanford-Dartmouth game. Jack Gardner and Louie Menze were not there, but the other four coaches - Drake, Lewendowski, Edwards and I met and submitted our list of officials to the commissioner, Reaves Peters.

I am sorry that your name wasn't submitted by any of those, and frankly I didn't include your name in my list because the meeting was called rather suddenly. I am writing to Reaves Peters now and putting you on my list.

I would suggest that if you could get Jack Gardner to do the same we might get you in some of our games. You might write to each of the coaches and ask if they feel they can put you on their lists to Reaves Peters. If you know Reaves Peters well and can work with him to get your name on, it would be fine.

I will try to use you at the very first opportunity that I have.

Thanking you for your letter, and with best wishes,

If there are any suggestions you could make to me that I might be able to do, I would appreciate it.

Dear Doc:

Received your preferential list today. You listed Volzhe will not work basketball next year, he has heen given added responsibilities and will be unable to get a way.

You also listed E.C.Quigley. He is not on any other list consequently he cannot be ass igned to conference games. How many non-conference games would you like to use him?. Be sure to give me this information as soon as poss ible.

Lee Grossman is living in the West and will not be available. That still leaves you a very comprehensive list.

Be sure to let me know how many times you can afford to have Curtis in Lawrence. Have you done anything about your dates with Hank Iba.

Dear Reaves:

County purch

I am sending you the dates of our Oklahoma Aggie games -- January 13 - Oklahoma Aggies at Lewrence; February 17, at Stillwater. Henry Tha told me that he was writing Artie Eilers and I presumed that by now you would have heard from Artie on the dates. Will you kindly write Artie and give him the dates and agree on a pair of officials?

I am also sending you a list of all our games. This is our complete schedule.

I will be very happy to play some golf with you this summer, although I am tied up with eight weeks of summer teaching here at present. We have baseball games to umpire on Mondays and Wednesdays at 4:30 in the afternoon, and our teaching schedule is 9:30 and 10:30 every morning.

Some time when you are on your way to Manhattan or plan to be in Lawrence, let me know and I assure you it will be a pleasure to entertain you on our Country Club course. What course do you play in Kensas City? I might arrange to slip in some afternoon.

Now, back to business. I would like to talk to you about the officials for the Rockhurst game, the Great Lakes game and the Naval Aviation Pre-flight School game. Larry Snyder wrote me from Iowa City saying that Rollie Williams will not be coaching the University of Iowa team but will be coaching the Naval Aviation Pre-flight School team. He said if Rollie does not head up the Pre-flight School it will be Ed Blickel, Harold Olsen's assistant at Ohio State. Since we are playing Iowa here on December 21 it might be a fine thing if you could find out who is going to coach the University of Iowa and settle on officials for that game.

If you would want to discuss with me any of these officials it would be very agreeable to me, and too, if you want to name some of the boys that I have put on my list who are not acceptable for conference games it will be agreeable to put them on.

Artie and I will not have any difficulty in getting together for officials for your games with Oklahoma Aggies. Let us know just as soon as you agree on the dates so we won't be handicapped by officials being assigned other games on those dates. Give me your non-conference games just as soon as you get them scheduled, There are several men on your list that do not appear on any other coaches list, hence they cannot be assigned to conference games, but I can assign them to your non-conference games.

Hope to play some golf with you this Summer.

Dear Artie:

Thank you very much for sending me the copy of the basketball schedule for the Missouri Valley, Big Six and M.I.A.A. Conferences. This is a fine service you are rendering, and I appreciate it.

I am sending you a copy of our schedule which is up to date at the present time with the service games. You will note that our game with the University of Missouri at Lawrence is to be played January 6, instead of the 5th as indicated in your schedule. This change was doubtless made after you received your information.

There may be other changes in the Big Six schedule and I suggest that you write to George Edwards to get these.

If something doesn't happen that Missouri comes into it, I would certainly like to play that series with you. I will hold the dates up until I know definitely the setup.

Dear Doc,

I believe that I owe you a letter from some weeks back and I am sorry for my delay in answering. I took a little fishing trip in Arkansas for a week and have been away from the office.

You asked me to let you know if I was going to be up that way during the summer so that we could talk things over. I have already made a short visit up home with my wife and boy and I doubt if I will be up there again this summer. If I am, it will be sometime in August. I will give you a ring if I am in Kansas City and I would be more than glad to visit with you some afternoon or evening.

In regard to the unpaid bill of \$21.00 due the Kansas City Star, I will have my office draw a voucher for \$10.50 which I will send to Jimmy Nixon at the Municipal Auditorium.

Hoping you are having an enjoyable summer and that we can get together sometime later in the summer, I am

#### VARSITY BASKETBALL MEN:

I notice a general lassitude on the part of some of the men who are listed in varsity basketball. Some of you are not showing up, and others are using an excuse that you are studying.

The excuse for study goes not when you have coke dates or when you are an intramural athlete or a mezzanine hurdler, but you are supposed to report for varsity basketball ahead of all of these. If a man fools his time away doing other things and then uses the excuse that he has been studying, it will not go with me. Some of you think that you should report for varsity basketball only when you have nothing especially to do but to work out.

I changed my basketball practice from Tuesday and Thursday afternoons to Monday and Wednesday nights so that you could participate in intramural touch football.

The men who are not out for football on the basketball list, if they do not report regularly Monday and Friday nights, will be cut off the list and will not be accepted when the regular practice begins on November 2. We will then practice four or more times per week. Only those men will be taken on the varsity squad who are out for football. If you fellows who are not out for football do not report now, definitely consider yourselves not of the varsity basketball squad of 1942-43.

Very cordially yours,

Director of Physical Education, Varsity Basketball Coache
