Dear Dr. Allen:

I want to thank you for writing Reaves Peters and Verne Wilkin such nice letters. That was mighty swell of you.

Verne told me after we saw you that he was going to say something to you but the other gentleman was present, so he thought that he would just write you. I left it entirely in his hands as he is my boss, you know, and we seldom talk about the time out I take to officiate.

I had a nice letter from Lewandowski and he stated he was getting in touch with Reaves Peters but I haven't heard a thing from Mr. Peters.

Thanks again for the interest you have taken in me and I hope that I will be able to repay you someday.

Very truly yours,

Cecil N. Peterson
