Dear Dr. Allen:

I received your letter in which you stated that you were writing Reaves Peters to have him put my name on your list of basketball officials. I appreciate this very much and I sure hope that something will work out.

I have heard from Jack Gardner and Lewandowski and they both told me that they were putting me on their list, so if that is the case I think Mr. Peters will give me a chance.

I would prefer to work in some of your non-conference games to start with then have you give me some constructive criticism before I work in any of your conference games.

Thanking you in advance for whatever you can do for me, I am,

Sincerely yours,

Pete
