Dear Dr. Allen:

According to your letter of last year, I was a little late in putting my name in as an official in your conference. Therefore, I am writing you now, so that if there's any possibility of working in your league, I would certainly appreciate anything you could do for me.

As you know, I have officiated for every Kansas college and last year worked a non-league game at Kansas State. I refer you to any of these coaches concerning my work. I have contacted several other coaches in your league and I will appreciate anything you can do to help get my name on the official list.

If there are any suggestions you could make to me that I might be able to do, I would appreciate it.

I want to tell you that I think you did a wonderful job with your team this year since it was composed mostly of sophomores, and to win games with sophomores, takes wonderful coaching. Wishing you the best of luck next season, I am

Sincerely yours,

Pete
