Dear Doc:

Received your preferential list today. You listed Volz-  
he will not work basketball next year, he has been given added  
responsibilities and will be unable to get a way.

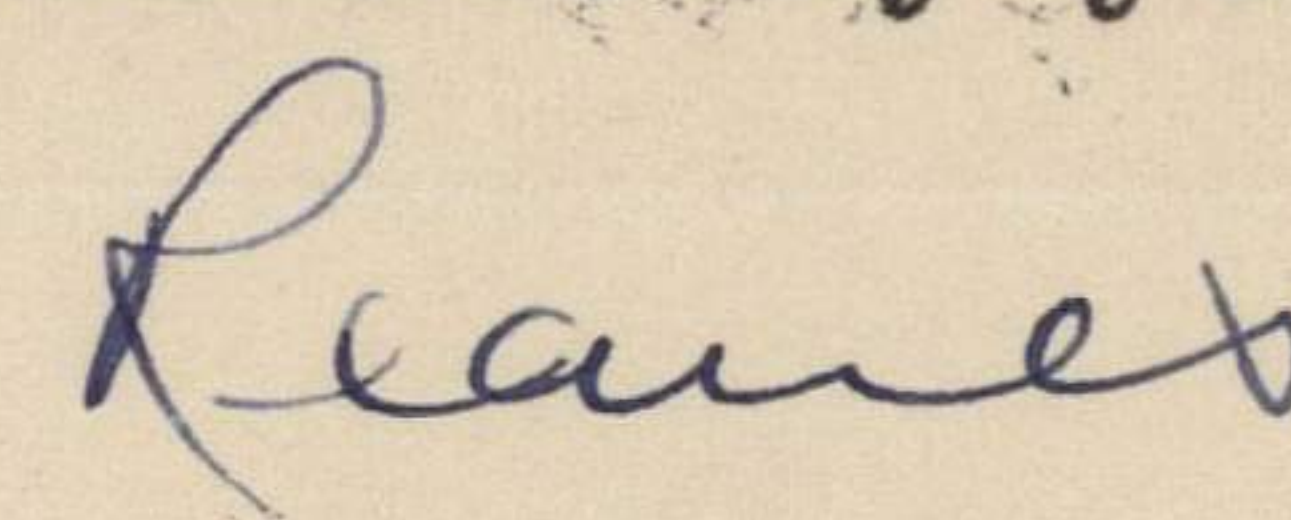

You also listed E.C. Quigley. He is not on any other list  
consequently he cannot be assigned to conference games. How many  
non-conference games would you like to use him?. Be sure to give me  
this information as soon as possible.

Lee Grossman is living in the West and will not be  
available. That still leaves you a very comprehensive list.

Be sure to let me know how many times you can afford  
to have Curtis in Lawrence. Have you done anything about your  
dates with Hank Iba.

With all good wishes, I am

Very sincerely yours,

R. E. Peters
