Dear Doc,

I can understand the situation regarding the double-header basketball series in Kansas City on the 29th and 30th of January. I can see Mr. McBride's point in wanting Kansas and Missouri as host schools.

If something doesn't happen that Missouri comes into it, I would certainly like to play that series with you. I will hold the dates up until I know definitely the setup.

Hoping you have an enjoyable summer and looking forward to seeing you in September, I am

Sincerely yours,

H. P. Iba,
