Dear Doc,

I believe that I owe you a letter from some weeks back and I am sorry for my delay in answering. I took a little fishing trip in Arkansas for a week and have been away from the office.

You asked me to let you know if I was going to be up that way during the summer so that we could talk things over. I have already made a short visit up home with my wife and boy and I doubt if I will be up there again this summer. If I am, it will be sometime in August. I will give you a ring if I am in Kansas City and I would be more than glad to visit with you some afternoon or evening.

In regard to the unpaid bill of \$21.00 due the Kansas City Star, I will have my office draw a voucher for \$10.50 which I will send to Jimmy Nixon at the Municipal Auditorium.

Hoping you are having an enjoyable summer and that we can get together sometime later in the summer, I am

Sincerely yours,

Hank
