Mr. R. E. Peters,
342 So. Chelsea Ave.,
Kansas City, Mo.

Dear Reaves:

I am sorry for the delay in replying to your letter of the 15th, but I have been out of town for several days.

We had corresponded back and forth with Eddie Hickey, and he desired a transition of the dates, to which we agreed. This was during the summer and we failed to notify you, which we should have done, and we beg your pardon.

The arrangement for the two officials in the Creighton game is satisfactory, with Roper and Oberhelman working with Gibbs, with Oberhelman at Lawrence.

If you can pick someone to work with Curtis we would appreciate it. I also notice that Oberhelman and Hinkhouse will work the Gardner Base game on the 5th.

We are planning to go ahead with Great Lakes on the 30th, and on the 29th Jack Gardner's Clippers will fill in the Iowa Pre-Flight schedule.

Now, regarding the eighteen officials that you expect to have for the clinic. I would be very happy to admit those gentlemen for the tax, no charge. I am sure that Jack Gardner will do the same, and if you will talk to Lou Lower I am sure that Lou will go along with us. I consider this a professional problem and the officials are professionals, not spectators, so they should be accorded the courtesy. And too, I am very sure that Missouri will give those officials free admission to their football game.

Lou Lower, of the Auditorium, called me the other day and asked me to be present Monday noon at the Hotel Muehlebach at the kick-off luncheon for Jack Gardner's Clippers, Bill Powell's Schooley's, and so forth. I promised him that I would be there, so if I can arrange to see you at the luncheon at the Muehlebach there are many other details we can iron out. If you cannot be there I will talk to Lou Lower and so far as I am concerned make arrangements for your officials. You will understand this is really Jack Gardner's game and I have a hesitancy toward committing myself without talking to him. Of course, we figure in the expenses
