Dear Doc:

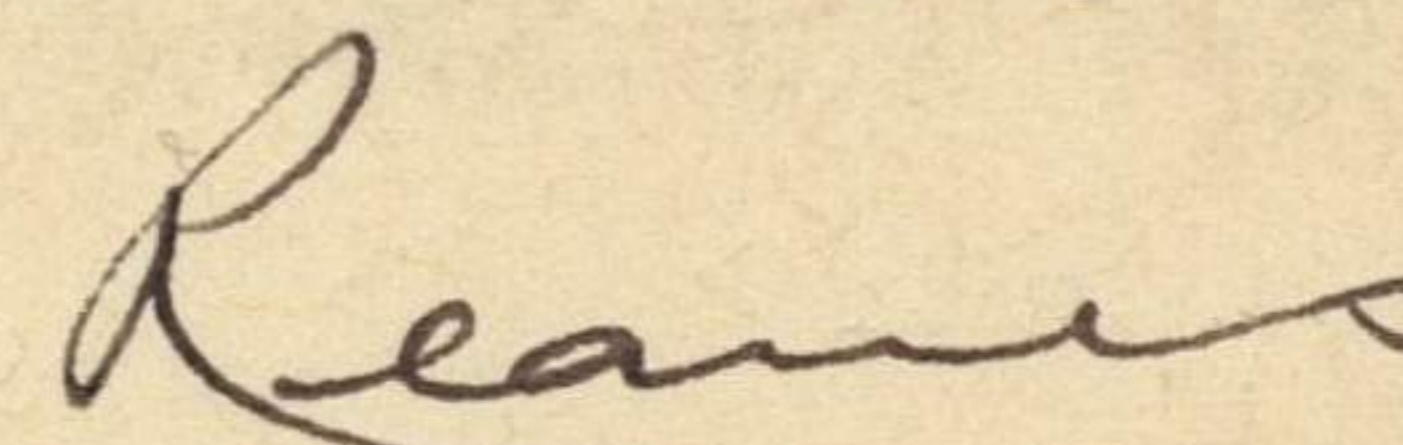

Was surprised at the score in your game with Nebraska last Saturday night. Am anxious to know how Capt. Schiesl worked.

The officials in your game with Nebraska at Lawrence on Feb. 23 will be Lance and Oberhelman. Lance is busy on Mar. 6. Will probably get Hogue to work with Hinkhouse in this game. Hinkhouse has been assigned since last spring to this game.

Lance and Larson will be in your game with the Aggies the 17th.

Will you please tell Earl to save two seats for me for the Nebraska game there the 23rd. ?

Very sincerely yours,

R. E. Peters
