

March 15, 1943.

Dr. C. B. Francisco,
Argyle Building,
Kansas City, Mo.

Dear Dr. Francisco:

I want to tell you how very much I do appreciate your personal activity in obtaining the consent of the General for the boys to go over to Leavenworth Sunday.

We consider you one of our very best friends, and we want you to know that we deeply appreciate a busy man's interest and kindness to us and our boys.

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
