LAWRENCE, Kans., Dec. — The most ambitious basketball schedule in the history of the Big Six Conference finds every team busily engaged in regular season games this week as the freshman eligibility rule for the member schools awaits definite action by the Big Six Athletic Board which meets in Kansas City Saturday.

Eighty-six games have been scheduled by the six schools for play during the 1942-43 basketball season. This is an increase of eight games over the schedule of a year ago. The two conference co-champions, Kansas and Oklahoma, lead the pack in respect to non-conference games. These two schools play as many games of this nature as do the other four members combined.

Coach Forrest C. "Phog" Allen, who is starting his 26th year of basketball coaching at the University of Kansas and his 32nd year of coaching, has outlined a teriffic schedule for his Jayhawker cagers to weather this year. Besides the ten regular conference games, eight other intercollegiate foes have been selected as well as seven games with service teams of the nation, making a total of 25 scheduled games.

The Jayhawks will be making their second trip to New York City when they meet Fordham University in Madison Square Garden December 28. The University of Oklahoma, playing 13 non-conference games, will also appear in the Garden, playing St. Johns College Dec. 19.

An oddity of the composite Big Six schedules this year is that no school goes farther west than Wichita to play a game, although Oklahoma and Kansas reach the eastern seaboard and Missouri and Nebraska get as far east as Champaign, Illinois.

1942-1943 Big Six Conference and Non-Conference Basketball Schedule

Mr. Earl Falkenstien,
Athletic Office.

Dear Earl:

I am turning over the Lt. Krickhan, Jr., correspondence and asking that you handle the matter.

When we turned in the expense account I want to explain that due to the uncertainty of early morning train travel for Camp Crowder on the Kansas City Southern, which left rather early, we went up the evening before. The boys went to a show and ate a meal in the evening. Then we ate breakfast, and caught the Southern Belle for Neosho.

We were met by the Camp Crowder people, including Lt. Krickhan, and driven out to the camp. We ate at the Reception Center and paid for our meals, and stayed at the barracks for the night, but we caught a 4 o'clock train out, which was late. We ate breakfast on the dining car but the train was late in getting into Kansas City and we missed our connection for Lawrence. We did not get home until Sunday night.

I thought it might be necessary for you to explain to Lt. Krickhan that due to the early morning train connection out of Kansas City Saturday morning we went up Friday night, and due to the late connection we were late in getting home Sunday evening. Train connections are always uncertain.

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.

Mr. Earl Falkenstein
University of Kansas
Lawrence, Kansas

Dear Earl:

The officials for your game with the Aggies the 6th. will be Hinkhouse and Hogue. Browning was assigned but will be unable to work since he is now playing with the Phillips 66 team down there.

Dr. Allen will not be back until Firday. Will you tell him of this change. I am sure it will be alright with him.

Very truly yours,

Reaves

R. E. Peters
