OFFICE OF THE
UNIVERSITY ADMINISTRATOR

January 25, 1944

Dear Mr. Porter:

The following boys were given an Inc. on your grade cards last week. Since the boys had no other marks against them and it was necessary that we indicate at that time that the boy was passing or failing, we assigned a grade of D to these boys. These boys are all continued in the program and their final grade must show a D or better on the card which is to be turned in to this office by Saturday of this week.

Kroechel, Robert (Hays) McKenna, John (Hays)
Lechner, Paul (Hays)

The following boys are reported as F in Phy. Ed. Since the general level of their marks in other subjects was good, the Board concluded to have you change these F's to D's. Cards showing this change for these boys should be in this office not later than Saturday.

Dodson, Richard (Hays)	Kile, Robert (Hayes)
Dolinsky, Meyer (Porter)	Kupice, John (Hayes)
Abel, Robert (Hays)	Kuzmin, Lawrence (Schaake) ✓
Cohen, Ben (Porter)	Layton, Victor (Hayes)
Cooper, Clyde (Porter)	Levinson, Henry (Schaake) ✓
Friedman, Carl (Porter)	Lash, Joseph, (Austin) ✓
→ Guthrie, Victor (Schaake)	Mabon, William (Porter)
Hale, Lawrence, (Porter)	Moore, Robert (Schaake) ✓
Johnson, Gale (Porter)	Rozycki, Casimir (Schaake) ✓
Grove, Nevin (Austin) ✓	Seidell, Richard (Porter)
Haessler, George (Austin) ✓	Roddy, William (Schaake) ✓
McManus, Lee (Austin) ✓	Weinstock, Sam (Schaake) ✓

All grades which are to be changed should be in this office by Saturday noon. A ruling by Col. McMorris has indicated that no grades shall be reported as F unless they were reported last week as F. In other words, whatever changes of grade are made would have to be above the F level.

Sincerely yours,

Bert A. Nash
University Administrator
