Dear Doc:

Won't you send me your corrected conference schedule just as soon as you have it completed- if you had to make any changes.

If you can get your games with Hank scheduled soon we will be able to get your officials before all the top-ranking men are taken.

How many times can you afford to have Abb Curtis come to Lawrence?. Of course the dates he can take with us will depend a lot on what dates Jim St. Clair wishes to use him. Of course Jim has first choice. I need this information at once.

Because of distance and lack of drawing ability I doubt very much that I can use Abb Curtis except at Lawrence and Norman.

Hope you can get your non-conference games to me before officials get loaded up with other games,

With all good wishes, I am

Very sincerely yours,

Reaves
R. E. Peters
